The Complete Works Of Count Tolstoy (Volume 20)

The Complete Works of Count Tolstoy is a collection of works by the Russian writer Leo Tolstoy. It includes his novels, short stories, essays, and letters. The collection is divided into volumes, with this volume being the twentieth in the series. Tolstoy's works are known for their depth and complexity, exploring themes such as love, war, and morality. His writing has had a profound impact on literature, and his legacy continues to be felt today.

Yasnaya Polyana, in the Tula Province of Russia, was the birthplace of Leo Tolstoy. He was born on September 9, 1828, into an aristocratic family. Tolstoy's education included study in law, art, and philosophy, and he later turned to literature.

One of his most successful later works was The Death of Ivan Ilyich. Early Life: On September 9, 1828, writer Leo Tolstoy was born at his family's estate, Yasnaya Polyana, near Yaroslavl, Russia. His father, a general of the Russian army, died when he was two years old, whereupon his father's distant cousin Tatyana Tolstoy took charge of the children.
