Within urbandictionary.com’s lively lexicon are: * business provocateur--Arts used to provoke sexual attention in the workplace. * bedroom buddy—anyone with someone in the same room via instant messaging service instead of in person. * danduff--A person who “flakes out” and ditches their friends. * wingman--A guy who takes one for the team by hooking up with a hot girl’s ugly friend so his own friend can hook up with the hot girl. Perfect for those who want to pick up some new slang and those who want to translate it, Urban Dictionary is a gritty and witty look at our ever-changing language. Urban Dictionary covers the language that encompasses the trials and tribulations that anyone under 30 encounters--and leaves everyone over 30 scratching their heads but wanting to know more.

Reforming Urban Transport in India-M Ramachandran 2017-07-07 Reformatting Urban Transport in India is an attempt to take stock of the various issues our cities and towns are facing in the area of urban transport, efforts made and being made both at the policy level as well as the field level to address the problems, the ever increasing complexities of challenges in the area of urban mobility and some of the laudable initiatives on the ground to handle the problems. This book would be a valuable addition to the limited literature available on the subject of urban transport in India. The topic has not attained much prominence even in the broader discussions on the transport sector issues in the country. The fact that we address our urban transport issues in a casual manner but there is need to take them up in a focused and purposeful manner and this can no longer be delayed is probably the one loud message which is emerging out of this volume. The wealth of knowledge of the contributors, each one of them having huge experience behind them in this sector; makes the book a valuable addition to the literature and a helpful guide in policy discussions.

WTF!-Frank B. Thompson, III 2014-12-24 What would America look like if the liberals ultimately triumph, say by the year 2050? “WTF! This is a Liberal Utopia!” - a satire on liberalism, all the unintended consequences of this heart felt way of looking at the world around oneself, usually in the cloistered halls of academia, some government agency, some left-wing, nonprofit activist organization and, or congress. A really fantabulous glimpse at what the future holds when these magnificent, stary-eyed wonders finally come out on top! By 2050, America will have gone through some slight changes thus resulting in many really noteworthy phenomena. For one, there is no longer any need for elections; there will be a “Forever President” whose last name could be ‘Castro.’ Furthermore, odds are ‘welfare moms’ will have largely replaced small business enterprises with their monthly, government stipends; most Americans will as likely as not have never worked, because it is distinctly possible that there won’t be any save for those “shovel ready jobs” the Democrats will in all likelihood keep bringing up. Gaia, Mother Earth, will have probably been rescued from the threatening effects of “Global Warming,” “Global Cooling,” and “Climate Change,” by turning to more agrarian economy where ‘maze’ is likely to be the cornerstone. For those lucky enough to own wheeled transportation, they will likely be driving around in either battery-powered, bubble cars made of styrofoam, or Latino lowriders which might look a lot like sparklers driving along the potholed highways of tomorrow. The English language will have been replaced by local, cultural colloquialisms with phonetics playing the principle role for making up words and phrases and writing them out. All this and more will be seen through the eyes of one of those liberal visionaries, an Ivy League English Professor whose name is Felix Schwartz; the narrator, the author and “the reader.” A glimpse into our wondrous future and what awaits us all when the magnificent munificents are finally given the reins to take America down that ‘Yellow Brick Road’ to their utopian, imaginary ‘World of OZ.’ “WTF! This is a Liberal Utopia!”

Complicated-Chennell Parker 2016-01-21 Although she lost her entire immediate family over a period of time, Rylee pulled her strength and support from her extended family, her best friend Zyra and the love of her life, her husband Mekhi. Mekhi knew from the first moment he saw Rylee that she would be his wife. He doted on her and placed her on the pedestal that she deserved to be on. He cherished her. Or so Rylee thought. Rylee’s picture perfect life became a cracked glass frame when Mekhi’s true intentions were revealed. As fate would have it, Zyra’s brother Zyrian is standing in the wings preparing to put the glass pieces back together again. Will Rylee be willing to walk away from all that she has ever known with her husband Mekhi? Will she be willing to swim in new uncharted waters with Zyrian? Will Mekhi fight for who he believes rightfully belongs to him and only him? Will Zyrian’s persistent interests complicate Rylee’s thoughts? With a host of supporting characters and Mekhi’s extreme disdain for Zyrian, the situation gets more complicated at every turn. Will Mekhi be able to stop Rylee from committing what he considers the ultimate sin with Zyrian or will his secrets run her right into the arms of the man that he despises the most?

Morning Coffee-Jesse R. Watson Jr. 2012-01 Morning Coffee is a practical approach to reading and applying the Word. Many people have a hard time getting in the morning, which can make for a long week. This book will give people the edge they need to motivate them to make it through the day and ultimately through the week. If our spirit is satisfied daily, the rest of our body will fall in line. Everybody feels like they need a morning cup of Joe, and by the power of the Holy Spirit, I submitted my will to the Lord’s be to used to brew up the flavor of the day. So as the sun rises, find a quiet place to make time for the Morning Coffee. This is the right way to start your day. When you are empty, He will fill your cup.

Second Coming-Rick And Alice Valentine 2011-04-01 Jay, your average stoner from Portland Oregon, finds out when he’s twenty-one that he is Jesus, the son of God. This may have been a good thing if it weren’t for the fact that he had been molested early in life by a Catholic Priest. It is a comic and tragic tale of reincarnated Disciples, and a difficult choice on whether the world is worth saving. Jay grows up thinking he’s a normal kid. Through a series of hilarious and heartbreakning adventures, he finally learns of his
true identity, long after he was supposed to. His reincarnated disciples are a mixture of loveable and misunderstood characters that join Jay on a journey across the Country that leads them to Elvis, Oprah, jail, and near death experiences. And when Jay becomes too big for the Church to control, they confront a situation that could very well destroy the world.

Art Savvy-Tj. Aitken 2013-08-23 Art Savvy is a systematic approach to understanding art. It gives you methods to assess a design and really see what the artist was doing. Unlike chaotic art writings, terms are clearly defined, categorized, organized and illustrated. It is designed to answer questions like: What things will allow me to understand art? What are the basic elements? What is concept art? Can you “read” a work of abstract art? Visual literacy is the ability to interpret, negotiate, and make meaning from information presented in art work. Art Savvy gives you this. Defining Terms: Often art terms are not clearly defined, are used interchangeably or get mixed up with other types of analysis. For a thorough exploration of all aspects of art, photos of great works are referenced with color keyed notations to illustrate the 5 easy pieces: 1. Design Elements- Visual grammar, line, shape, form, mass etc. - definitions & how to see them. 2. Organization Principles- How elements are arranged and how this effects the concept. 3. Style- Relation to other groups of work and formulas for design. 4. Technique- How methods and materials are used to impact the design. 5. Concept- What this piece about. What major themes and elements were used. Assessment techniques in each section of Art Savvy will train your eye to always see these 5 aspects of any artwork. It is not attempting judgments of relevance, philosophy, spiritual meanings and other ethereal aspects that a work may convey. This text poses the question: “What is the basic concept here?” but sticks to pure analysis and leaves all judgment to you and the experts. This field guide is a mini textbook on design principles that will let you understand art!

D’Sire-Supreme Essence 2012-02-28 This is a story of a young woman who lost her innocence due to a road not by choice but from conception. Between being raised by her grandmother who turned her head as she met the sick demands of her uncles sexual appetite, D’sire had no choice but to mature fast. Drugs and violence took both parents away so she lacked the love and security one would usually get along with the proper guidance she needed to sustain. Through unfortunate circumstance, D’sire is forced to leave the only place that kept her dark secrets safe and was thrown into an unforgiving world where the wolves stood watch, waiting to devour her soul...
